**UTAR CEO Talk Series**

# Recipe for a Successful Tech Career in the Recovery Era

## Suresh Kumar, Perabalachandra Dass

*Vice President in the Chipset Silicon Group, DEG  
General Manager of Intel's Malaysia Design Center (MDC)*

*This talk will cover an introduction to Intel, including a history of the company's presence in Malaysia. It will also cover how various aspects of life have been altered by the pandemic and what it takes to build a successful career in the technology industry. Participants will gain insights into preparing themselves with the right mindset as we move into the recovery phase and beyond.*
