## COURSE SELECTION

All selected courses must be part of the **English program** or the **French program**.

- Students may take both English and French classes. A popular choice is four English classes and one French class per term.
- Information about courses in French and English as a second language can be found at: [langues.uqam.ca/programs/](https://langues.uqam.ca/programs/)
- The majority of courses offered at UQAM count for three credits. A three-credit course is equivalent to 45 hours of classes: three hours a week for 15 weeks.
- Each class involves approximately 45 hours of learning activities, including assessment plus up to 3 hours of homework per week.
- The number of credits constituting a full-time, semester program at an undergraduate level is 12 to 15 credits (4 or 5 three-credit courses).

## COURSE REGISTRATION

A few weeks after receiving your official admission letter, you will receive your PIN by email. The PIN [NIP in French] is your access code for the UQAM student portal.

Upon your arrival at UQAM, you will take the English Placement Test (\$45 CAD) which will determine what level of English classes you are eligible to take. **It may also be possible to take this test online before arriving.**

After receiving your test results, you will meet with the Program Director who will advise you of the classes you can choose from.

After this meeting, you will be able to register for classes.

If you wish to register in French as a second language classes, you will take a French Placement Test (\$45 CAD). If you are a beginner, you will be asked to attend a brief interview to determine which French class you can register for.

## IMMIGRATION

### Two-semester exchange or fee-paying program

Since this is a study program lasting more than six months (two semesters), you must obtain a [Certificate of Acceptance from Quebec \(CAQ\)](#) and a [study permit](#). We recommend that you begin your immigration process as soon as you receive the admission letter from UQAM, as the process can take up to three months.

### Single-semester exchange or fee-paying program

If you participate in a full-time exchange or fee-paying program for a single semester, you do not require a CAQ or a study permit for that period. You must ensure that you have an eTA or a valid temporary resident visa; see the [Government of Canada website](#) on immigration.

Note: You will need to provide your biometrics as part of your application for a study permit. This could result in additional delays.

## PREPARING FOR YOUR STAY

Before your arrival at UQAM, the Japanese Student Coordinator will contact you with important information such as what to bring, housing options, classes, and more.

## MANDATORY INSURANCE

As a foreign student, you automatically subscribe to the UQAM health and hospitalization insurance. The subscription fees for this plan are approximately \$324 CAD per term. **No other medical insurance will be recognized by UQAM.**

## TRANSCRIPTS OF GRADES

A transcript of your grades will be sent to you by the Registrar's Office at your personal mailing address approximately eight weeks after the end of the semester. Please change your address on the UQAM student portal so that it is sent to you in your home country.

## HOUSING

There are three housing options organized by the Japanese Student Coordinator: UQAM residence hall (approx. \$500-600 CAD/month plus housing insurance approx. \$200 CAD/year), homestay (approx. \$1300 CAD/month including meals), and apartment share (approx. \$600-800 CAD/month). The Japanese Student Coordinator will contact you to discuss these options in further detail.

Hope to see you soon!
